To Whom It May Concern:

Classy Cleaning has been our janitorial service since April 2010. At that time they came in and did a complete cleaning of our facilities that was phenomenal. From that point on they have maintained our buildings with the utmost care. Any additional services we have requested have been taken care of immediately.

Overall, Classy cleaning is a very conscientious company and always ready to take care of their customer. I would recommend them without hesitation.

Sincerely,
