To whom it concerns,

This letter of endorsement is for the services rendered to The Landings at Goodfellow. We have had a business relationship for nearly two years. During that time they have performed at a level of professionalism that has assured them of our continued business.

Anyone considering doing business with Classy Cleaning will not be disappointed with the level of service and job completion extended to them by the company.

Sincerely,

Rudy Soto  
Community Director  
The Landings at Goodfellow
